Good Morning Bonnie,

I would be happy to review the attached. How soon do you need this? I can request additional input from others if there is time (Tuesday or Wednesday for this), otherwise we can review and comment by late today or Monday.

Best,  
Rusty

Hi Rusty, I wanted to ask if you and others could look over the attached reference sheet ASPCRO rodenticide committee put together. It is primarily meant to assist inspectors in the field in verifying product compliance with the RMD but also others who might find it useful. I wanted to verify we have accurate information. Could you guys look it over for me and let me know if it needs any correction. Thanks, B.
